

## **Madison County Attorney Position**

Commission Comments by Ted Coffman

As many of you probably know, Robert Zenker, resigned as Madison County Attorney effective September 11, 2006. According to state statute, his name will still be on the November 7 ballot.

The Commissioners have appointed Chris P. Christensen as Madison County Attorney. Chris has 10 years experience as Pondera County Attorney, and was working as a State Assistant Attorney General for the last year.

Chris has filed an intent for write-in with the election administrator and any write-in votes for him will be counted if you write in Chris P. Christensen and **REMEMBER TO FILL IN THE OVAL.**
